1. I am the Director of Human Resources at Sullivan & Cromwell LLP, and have been employed in this position since March 2, 1998.

3. I, along with Susan Vahrenkamp, Director of the firm's Secretarial Services department, met with Ms. Monterroso on April 7, 2005. During the meeting, I told Ms. Monterroso that it would be difficult for her to retain a permanent work station if her lengthy absences continued. I also explained to Ms. Monterroso that because permanent secretaries support specific, assigned lawyers, they must be present daily to ensure continuous secretarial

coverage. I also told Ms. Monterroso that because attendance was an essential function of a permanent work station, her employment could be terminated.

4. Attached as Exhibit 1 is a true and correct copy of a letter that I sent to Ms. Monterroso on August 17, 2005. The two releases accompanying the letter would have (a) authorized Dr. James Bruno to speak to Sullivan & Cromwell LLP about Ms. Monterroso's alleged asthma and potential accommodations for her, and (b) released the results of Ms. Monterroso's June 23, 2005 Independent Medical Exam to Sullivan & Cromwell LLP. Ms. Monterroso never returned either of the two releases to me.

5. Attached as Exhibit 2 is a true and correct copy of a letter I received from Cynthia Monterroso on or about August 24, 2005.

6. Attached as Exhibit 3 is a true and correct copy of a letter I received from Cynthia Monterroso on or about September 14, 2005. Ms. Monterroso attached to this letter a letter from Dr. James Bruno dated August 24, 2005. Although Dr. Bruno's August 24, 2005 letter makes reference to a prior letter dated August 10, 2005, no such letter was ever received by the firm.

7. Attached as Exhibit 4 is a true and correct copy of a letter I sent to Cynthia Monterroso on December 2, 2005.

8. Attached as Exhibit 5 is a true and correct copy of a letter I sent to Cynthia Monterroso on March 10, 2006.
